Additional information:

Signing the present form, the applicant assumes the responsibility:

- To provide correct and up to date contact details, necessary for a usual communication with the applicant;

- To fill in all the headings from the application form. The unfilled or incorrect headings entitle the Commissions to consider that file as disqualified.

- If the applicant mention only one instead of two options of Romanian universities, and this one is unavailable, the Ministry of Education, Research, Youth and Sports (MECTS in Romanian) would assign another possibility according to the requested profile and the available places within the Romanian higher education system. Receiving the letter of acceptance to studies with the new repartition, the applicant might accept the scholarship or might reject it, and can continue his studies in Romania on his own account.

- If until the 15th of August 2010 the selected applicant does not accept the scholarship or, in the case of the applicant in the last year of secondary studies, the candidate fails to present the authenticated copy of the diploma, or of the certificate/receipt of the level of the studies being undergone, the Ministry of Education, Research, Youth and Sports is entitled to consider the file rejected and the scholarship will be offered to the first candidate on the supplementary list.
